2. Minutes

The minutes of the meeting on Thursday 26th September 2019 were agreed and signed.

Before the commencement of business, the chairman asked the visiting parishioners if the issue they wished to discuss was on the agenda. Mr Tribbeck and Mr Paravicini both wished to speak about speeding, which was the first matter arising. Mr Stewart wished to speak about something else related to this.

3. Matters arising

a. Speeding in the Village.

Mr Stewart was very angry that photographs had been taken of traffic outside the school that might have included his daughter with a child in the car. These photographs have now been deleted and the lady who had taken them has resigned from the task of heading up the Speedwatch team.

The chairman apologised to Mr Stewart if he had been upset about the photographs but felt that the meeting needed to move on to try and find solutions to the problem for the village.

Mr Tribbeck and Mr Paravicini were able to cite occasions in South Street when cars had been driven irresponsibly and feared that an accident would happen if nothing was done about it. Physical deterrents, bumps and chicanes, were discussed, but were known to have associated problems. It was agreed that the Traffic Survey in South Street needed to go ahead, so that evidence could start to accumulate, small camera used by other Parish councils would be investigated further and the police would be asked for guidance on the admissibility of evidence from different sources. A Speedwatch team would be set up if a team leader could be found.

b. Repairs to bridge. It was agreed that this could be resolved by the parish council.

4. County Councillor's Report- Cllr Darren Henry
